

REMARKS

The Quayle Action dated September 18, 2008, has been received and carefully reviewed. The preceding amendments and following remarks form a full and complete response thereto. Claims 1-32 have been allowed, but objections were made to claims 19 and 29. In response, Applicants have amended claims 19 and 29 in the manner suggested by the Examiner. See Office Action at 2. No new matter has been added by the amendments. Accordingly, claims 1-32 are in condition for allowance.

In view of the above, all objections have been sufficiently addressed. Applicants submit that the application is now in condition for allowance and request that claims 1-32 be allowed and this application passed to issue.

In the event that this paper is not timely filed, the Applicants respectfully petition for an appropriate extension of time. Any fees for such an extension together with any additional fees may be charged to Counsel's Deposit Account No. 02-2135.

If for any reason the Examiner determines that the application is not now in condition for allowance, it is respectfully requested that the Examiner contact, by telephone, the Applicants' undersigned attorney at the indicated telephone number to arrange for an interview to expedite the disposition of this application.

Respectfully submitted,
